As you are aware that Directorate General of Training under Ministry of Skill Development and Entrepreneurship and National Institute of Open Schooling (NIOS) under Ministry of Human Resource Development have signed a MoU on 14th July, 2016 to put in place a system for academic equivalence to vocational/ITI qualification, there by opening options to meet aspirations of those candidates of ITI system who want to attain higher academic qualification in addition to their skills. The said information has been communicated vide letter no. MSDE(DGT)-4/14/2014-16-CD (Pt-II) dated 20th July, 2016. However, the same is once again enclosed.

This opportunity can be availed by both fresh ITI batch students and as well as ITI passed out candidates. It means that fresh batch trainees while under going ITI training, he/ she can parallelly register and may appear for two subjects as prescribed by NIOS. Hence, at the beginning of every training session, Principal/trade instructor to apprise about the option and motivate them to register on NIOS website at <https://www.nios.ac.in/> for any two subjects as prescribed by NIOS.

It is further requested to get closer liaison with Regional Centre of NIOS to make enrolment of ITI candidates and also to conduct various awareness workshops at the state level for the better implementation of the scheme. In this regard, RDSDEs/NSTIs of DGT also have to play a major role in making closer liaison with state Directorates and as well as Regional Centres of NIOS.

You are requested to circulate this office order to all ITIs in your State/UTs and to give wide publicity in this matter for the career progression of ITI candidates
